

L&M Medical Billing Solutions understands that change can be hard and scary at times. L&M is confident that we can help you and your office staff with our personalized service while still cutting costs and improving both patient care and practice revenue. That's why we offer a 90-day money-back guarantee. If you're not completely satisfied with our services, simply contact us within 90 days of your purchase date, and we will refund your money.

L&M Medical Billing Solutions truly found our passion within the medical billing and coding field, with the determination to spread knowledge and be helpful in any way to alleviate stress on physicians, office staff, and patients. We have seen from our own professional experiences how complicated and time-consuming medical billing and coding can be. Without the knowledge and training, it is very difficult to stay up to date with all the changes that occur at any given time. L&M wants to build trust and long-lasting partnerships with providers that are looking for a medical billing team that provides accurate, consistent, and efficient work with excellent customer service. Our 90-Day Money Back Guarantee will include:

- Assistance with organizing PHI
- Insurance Verification
- Verify encounter forms are up to date with ICD-10 and CPT changes specific to your specialty
- Educate on medical necessity & coding guidelines
- Timely claim submission
- Payment posting from EOB
- Review ERA to ensure proper payments/adjustments
- Denial management with consistent follow-up
- Manage patient statements and/or calls for any billing inquiries
- Provide a detailed report showing the health of your practice.

Our mission is to always remain client-focused, become an essential part of your team, demonstrate ethical practices in everything we do, offer friendly and excellent customer service to you and your patients, as well as respect patient privacy and security by remaining HIPAA compliant in everything we do.
